-------------	--	-----------------------	-----------------

Breakout Sessions & CQPS PSO Demonstration

Objective: To develop a menu of proposed CQPS activities/project with measures of success.

Format: Brief presentation (10 minutes max) of the issue facilitator(s), followed by:

- "Roll the sleeves up" discussion of solutions or potential projects.
- Project ideas prioritized with a measure (*We will have succeeded when _____*).
- At 5 minute "whistle" facilitator focuses group on summarizing the key points.

1:45 - 2:30 Breakout Session #1
